### 08. Can the employer search employees' possessions or files as part of an investigation?

#### Switzerland

The basic rule is that the employer may not search private data during internal investigations.

If there is a strong suspicion of criminal conduct on the part of the employee and a sufficiently strong justification exists, a search of private data may be justified.<sup>[1]</sup> The factual connection with the employment relationship is given, for example, in the case of a criminal act committed during working hours or using workplace infrastructure.<sup>[2]</sup>
