Yes, please see question 2.

Any individual performing a prescribed key role must be pre-approved by the IoM FSA and be certified as “fit and proper”. The IoM FSA has issued detailed guidance for financial institutions that set out the criteria that they normally apply in considering the fitness and propriety of individuals who wish to undertake Controlled Functions. Appendix 2 of the guidance contains a table setting out which Controlled Functions require consent and which functions are notification only.

Guidance can be found here:
