As a legal requirement, it is necessary to issue the term of termination of the employment contract. This document specifies the amounts paid at that time (there is a difference between terminations for just cause and without cause).

For workers in the sector, general rules apply, as no specific rules are created by law or a collective instrument.

There are no particular rules or protocols that apply when terminating the employment of an employee in the financial services sector. The termination procedures will follow the requirements under the Employment Ordinance and the contractual terms of the employment contract. In certain cases (eg, termination of senior executives), the parties may enter into a mutual release and settlement agreement.

The licensed corporations should notify the regulators of any changes, including cessation of appointment of the licensed representative and responsible officer or managers-in-charge of core functions, within seven business days. In the case of registered institutions, the notification should be made to both the SFC and the HKMA.

Under section 64R of the IO, within 14 days after the day on which an authorised insurer, a licensed insurance agency or a licensed insurance broker company (collectively, "Appointing Principal") terminates the appointment of a licensed insurance agency, a licensed individual insurance agent, a licensed technical

representative (agent), a licensed technical representative (broker) or a responsible officer (as the case may be), then the Appointing Principal should notify the IA in writing of the termination.
