FINRA

Broker-dealers and investment advisors regulated by FINRA must electronically file FINRA's Form U4 when registering "associated persons" with FINRA or transferring their registration to another broker-dealer. Broker-dealers must also create and implement written procedures to verify the facts disclosed by prospective employees on the U4.

- "Associated persons" include employees of all levels involved with investment and securities operations.
- The U4 form requires disclosure of the associated person's background history, including any criminal convictions or civil actions, regulatory proceedings or sanctions, administrative proceedings, financial disclosures (such as bankruptcy), customer complaints, or arbitration awards.

Form U4 also contains an agreement requiring employees to submit to arbitration "any dispute, claim or controversy that may arise between [them and their] firm, or a customer, or any other person..."

Member firms must provide registered employees with an arbitration disclosure when asked to sign a U4.

SEC

SEC-regulated entities require every prospective employee to complete a questionnaire disclosing their identifying information, employment history, and record of any disciplinary actions, denial or suspension of membership of registration, criminal record, or any record of civil action against that employee. FINRA form U4, if completed, fulfils the requirements of this Rule.
